Dear Valued Customer,

Please send in your agreement now, **even if you have been a customer for many years**. This will enable us to plan for the upcoming heating oil season. Your agreement must be returned by **July 31, 2015** so we can calculate your budget payments. Make sure that you mark all appropriate boxes, sign and date the agreement and return a copy to us.

Thank you for choosing Julian W. Perkins, Inc. for your heating fuel needs. Keep us in mind for all of your fuel and lubrication requirements!

## HEATING OIL AGREEMENT 2015-2016 SEASON

**Offer & Duration:** We offer to supply your entire premium heating oil requirements at the address shown on this acceptance during the period that this agreement is in effect beginning **September 1st, 2015 through June 10th, 2016**.

**Terms: 10<sup>th</sup> of the month.** All home heating oil invoices or budget payments are due on the 10<sup>th</sup> of each month. Failure to meet agreed upon terms including any missed budget payments will result in a delay of any additional deliveries and a 1-1/2% per month service charge applied to the balance owed. Failure to pay any incurred service charges shall result in a delay of deliveries.

**Budget Payments:** Budget payments are calculated on your prior 3 year consumption and an estimate of the cost of fuel for the heating oil season. Julian Perkins may need to adjust the budget amount during the season if there is a significant change to your usage or in the cost of fuel during the contracted season.

**Quality:** Seller guarantees that all products delivered will meet all government specifications.

**Delivery:** Seller will make deliveries with all possible promptness after receipt of orders. All **Will Call** customers require a minimum 3 day lead time. Emergency deliveries will be charged a fee of \$50.00. All **Will Call** customers receiving a delivery of less than 150 gallons will be charged a fee of \$50.00.

Seller shall not be responsible for failure to make any deliveries when conditions, in our opinion, are beyond our control (weather, road construction, accidents, etc.) All automatic delivery accounts are estimated and Julian W. Perkins, Inc. cannot guarantee that the customer will not run out of fuel.

Julian W. Perkins, Inc. is unable to make deliveries where driveways are not accessible (snow plowed, free of debris, etc.). Customers requesting our trucks to go off of a driveway will be responsible for any tow truck fees and a minimum hourly fee of \$70.00 per hour for lost truck/driver time.

Seller shall be liable for damages to the premises at the time of delivery where such damage is caused by negligence on our part. It is understood that the above constitutes the entire agreement between the parties, here to, and that no other terms or conditions expressed or implied, are effective.

### **Billing Option: Please check if you would like to be on the budget plan**

- Budget Plan: 9 equal monthly payments beginning September 10<sup>th</sup>, 2015 thru May 10<sup>th</sup>, 2016 with the final balance due to be paid in full **June 10<sup>th</sup>, 2016**. IF budget payments or the final balance are not paid on time, the account will revert to terms with full payment due on the 10<sup>th</sup> of month, and you will not qualify for the budget plan for the following year.

### **Automatic Payment option is available: check if you would like to pay automatically by credit card or checking account.**

- Automatic Payment by Credit Card or Electronic Check (Please fill out the Authorization Agreement enclosed.)  
\*\*This Payment will be processed according to Payment Terms.

We also offer the availability to pay on line by credit card at [www.jwperkins.com](http://www.jwperkins.com) go to the forms page and select pay now.

### **Please Select Delivery Type:**

- Automatic Delivery by Degree Day System  
\*Must use fuel oil as your only heat source for Automatic.  
 Will Call (150 gallon minimum delivery)

### **Additional Options:**

- Add "Hot" Four in One  
(Heating Oil Treatment that controls waxing & gelling, disperses water, cleans pump, burner tips, and filter, stabilizes fuel. Call for pricing.)

**Please Call** our office if you would like to schedule a Summer Fill. (150 gallon minimum required)
